Department of Veterans' Affairs
 Approved Contractor
 9740621L

Simple Steps to Comfy Feet

- 1st you need a referral to a Podiatrist by your Doctor or other specified medical officers in fact sheet
- Your Podiatrist then assesses your needs & writes out prescription to give back to me
- I then take your measurements, colour, style you would like & send prescription to Department of Veteran Affairs with order form
- DVA then approves & sends approval form to both myself & you
- A trial fitting is then required
- I then complete your footwear do a final fitting & send signed forms back to Department of Veteran Affairs & you have comfy feet!

Just give me a call & I'll come to you!
